P.O. Box 249  
Turrell, Arkansas 72384

Dear Mayor Webster,

I am pleased to inform you that the State Aid Street Committee has approved your request for a project to overlay Galbreath Street, Walker Street, Horton Street, Stalls Avenue, Wah Avenue, Upshaw Street, Gum Street, Davidson Circle, Church Street, Eureka Street, Holmes Avenue, Riddle Avenue, Held Avenue, 3rd Street, W. Elm Street, E. Elm Street, Barton Street, & E. School Street. The project is approved for \$300,000 of State Aid City Street funds.

State Law requires that the Arkansas Department of Transportation (ARDOT) oversees the construction contract for City Street projects including contract procurement and construction management. Before advertising for construction bids, ARDOT will mail you a copy of the construction plans with a sample resolution for your City Council to pass supporting the project. If you have any questions about the construction contract, please contact ARDOT's State Aid Division at (501) 569-2346.

Sincerely,

A handwritten signature in cursive script that reads "Jerry Boen".
